A GATHERING IN THE FALL

On the first Sunday in November, the neighborhood came together for the annual Fall Gathering. The weather was perfect—crisp, cool with a slight breeze and tons of sunny blue skies.

While the gathering had some of the same vibes as last year (chili cook off and cake walk), differences were noted— a different location (the Volk's hosted this year), an obstacle bouncy house for the kids (and adults) to play on and new faces that attended. It was a great time with delicious chili, desserts and warm apple cider. The event was capped off by s'mores around a fire pit, which was a perfect ending to

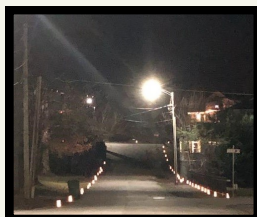

a great afternoon!

A big thank you to the Volk's for opening up their home and yard for the gathering and to everyone who participated!

IT'S LUMINARY TIME

As the holidays inched closer, the Board started preparing the luminary display for the neighborhood. For those that are new to the neighborhood, each year the HCHNA displays luminaries throughout the historic district. It is a tradition that is not just beautiful to look at, but also draws many people to our neighborhood each year. We generally plan for putting out the luminaries on Christmas Eve (weather permitting) and this year, the weather decided to cooperate! On Christmas Eve, numerous residents of the neighborhood put out and lit the luminaries throughout the Historic District.

A BIG thank you to everyone who came out to either assist with the assembly of the luminaries on Sunday afternoon or helped put them out and light them on Christmas Eve. It was a beautiful display that many (both inside and outside of the neighborhood) enjoyed.

NEIGHBORLY WELCOME

Please join me in welcoming the Almand Family to our neighborhood! They moved into 318 Indiana Avenue in late October and have been settling into their new home.

Bond originally from Atlanta, moved to Maryville in 2006, and now is thrilled to be in the College Hill Historic district. He works as an ENT doctor at Foothills ENT, Allergy, and Hearing Center here in town. He has 3 kids, 2 boys and 1 girl - Bond IV is

16, Burke is 13, and Elizabeth is 9 (ages reflect 2 birthdays happening between now and the newsletter date!) - all attend Maryville public schools. They have two beloved labradoodles, Snickers (7) and Rocky (2). The Almand Family are addicted to cycling (road and mountain), running, camping, hiking, kayaking, and travel.

If you happen to see the Almand Family out and about

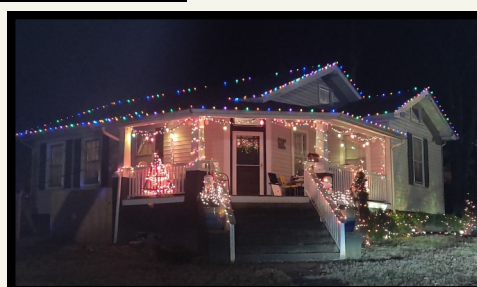

in the neighborhood, introduce yourself and warmly welcome them into the College Hill Historic District!

If you know of a new resident to the neighborhood, please send an email to Chris Hackler, the Welcoming Chair, so that he can visit the new neighbor and provide them a packet on the neighborhood and area.

CHRISTMAS THROUGHOUT THE HISTORIC DISTRICT

This year, the neighborhood really got into the holiday spirit; so many residents decorated their houses and yards for Christmas. Here are a few examples of Christmas in the Historic College Hills Historic District looks like;; see if you recognize any of these holiday displays!

HCHNA ANNUAL NEIGHBORHOOD MEETING

It is time for another annual meeting for the HCHNA Neighborhood Association! All are welcome to attend, as we kick off a new decade and plan for the activities slated for 2020.

The meeting is scheduled for **Saturday, January 18, at 10:30 am at the Southern Grace Coffee Co**, a new coffee shop that opened recently in our neighborhood. The address is 312 Tedford Street. There will be food and drinks and the Board will be discussing annual plans as well as elections

for current board open positions.

Additionally, Kelly Duggan, the Senior Planner for the City of Maryville, will be the guest speaker. She will be discussing the various roadway projects adjacent to our neighborhood (i.e., the expansion of Montvale Road) as well as any other City-related issues we may have.

Please mark your calendars and plan to attend the annual meeting. We hope to see you all in January!

HCHNA BOARD OPENINGS

Are you a natural planner? Are you organized and like to plan parties, get together and other fun activities? Do you have an accounting background and like to maintain budgets and balance spreadsheets? Are you a writer and love to tell a story? If you answered "Yes" to any of the above questions, you may be perfect for a HCHNA Board Position.

The HCHNA Board is still looking to fill the following positions:

- Social Chair
- Treasurer
- Member at Large

A quick summary of the activities associated with each of these positions are below:

- Social Chair– Organizes the social events on an annual basis; this includes developing the theme, sending out invitations and set up/tear down of activities
- Treasurer– Maintains all budgetary information; provides an update on the budget at each HCHNA

monthly meeting; deposits HCHNA dues and writes reimbursement checks for activity expenditures.

- Member at Large– Available to assist with any additional activities required by the Board; be available to attend monthly meetings.

NEW ACTIVITIES FOR 2020

As we look to change things up in the types of activities we host for the neighborhood, the Board has been thinking outside the box for ideas for the coming year.

Some of the ideas the HCHNA Board is interested in exploring in the coming year include:

- Creating a neighborhood

recipe book filled with recipes from its residents;

- Starting summer porch parties, where a home hosts a party with beer, wine and snacks (provided by the Board) during the summer. Neighbors can stop by to say hello and get to know each other;

- Creating items with the HCHNA logo on them for purchase (i.e., T-shirts, decals, bricks for the park, recipe books, etc.) on the Facebook page or HCHNA website.

If you have any other ideas you are interested in the HCHNA Board taking up in 2020, please feel free to either email

Chrissy @ chrissy.mcnaughton@gmail.com or attend a monthly board meeting. Board Meetings generally occur on the first Monday of the month. Look for email reminders as to the location prior to each meeting.
