HCHNA carries liability insurance in case of an unfortunate accident. It will come due this Fall (September?) and is expected to be around \$400.

6. Luminary Display Test

Due to rainy weather the luminary test has been postponed to the Fall. HCHNA is thinking about moving to electric luminaries. First we need to decide which ones look like real candles so we will do a test on Hunter Lane. The Lane will be lined with luminaries with various light sources. People can vote for the ones they like best. Stay tuned for the new time. (Saturday the 22nd of August is probably the date. Jim will confirm.)

Are the batteries removable (asked by Logan)? Some are, yes.

Could we do more than one night (asked by Dave)? We can discuss, yes.

Need to consider the life length of our battery candles (Ann).

7. Flag Display

Thank you to all the people who helped with the flag display!
